Preface

While the Southern State Community College Catalog is intended to be a fair summary of certain matters of interest to students, its readers should be aware 1) that this catalog is not intended to be a complete statement of all procedures, policies, rules, and regulations by which the College is operated, and 2) that the College reserves the right to change, without notice, any academic or other requirements, course offerings, course contents, programs, fees, procedures, policies, rules, and regulations, which may be contained in this catalog, and 3) that departmental procedures, policies, rules, and regulations, whether or not contained in this catalog, may be applicable to students in those departments.

All statements in this publication are not to be regarded as offers to contract. Information in this catalog is subject to change.

A student is responsible for meeting all requirements for graduation. Academic advisors should assist in planning programs; however, the final responsibility for meeting the requirements for graduation rests with each student. In addition, students planning to transfer to another institution have the sole responsibility to determine that their course of study at the College will qualify for such transfer.
