ADMISSION CRITERIA FOR NURSING TRANSITION

Admission to Nursing requires the following minimum requirements, which must be completed prior to application. Completion of minimum requirements does not guarantee admission.

- Accepted SSCC student
- High school graduate or GED recipient
- Nursing Transition Application and Responsibility Form
- Practical Nursing school graduate; PN knowledge retention is essential
- Prerequisite courses with a grade of C or higher (C- is not acceptable). Knowledge of prerequisite content is expected. If taken more than 5 years ago, it is strongly recommended that course be repeated.
 - CHEMISTRY (must meet at least one criteria)
 - High school chemistry
 - CHEM 1120
 - CHEM 120 and 122
 - Higher level college chemistry course
 - BIOL 1510, Anatomy & Physiology I (BIOL 1104 prerequisite may be required)
 - BIOL 1520, Anatomy & Physiology II
 - If A&P taken under quarters, BIOL 205 and BIOL 206 and BIOL 207 all must be completed with a grade of C or higher in each course.

- ENGL 1101, English Composition I
- MATH 1135, Allied Health Mathematics
- PSYC 1111, Life Span Human Development
- 500 hours work experience as LPN within past 24 months – see below
- Unrestricted Ohio Nursing licensure with medication administration privileges

SUBMISSION OF NURSING APPLICATION

The following items must be submitted **together** in one packet for an application to be considered “complete”. Please compile the required documentation in the order below and paper clip the contents.

Application packets must be mailed or hand delivered to the Nursing Office on the Central Campus in Hillsboro, room 328. Faxed or scanned packets will not be accepted.

Please note that even if these items have already been sent to SSCC, the student must still include all documents in their Nursing application packet.

- ___ Nursing Transition Application and Responsibility Form (available online at www.sccc.edu during application period)
- ___ Official high school transcript verifying graduation or GED certificate
- ___ SSCC course listing
 - Log into “MySSCC-My Records”. Click on “Student”, then “My course information”, select “view unofficial transcript”, scroll to bottom of transcript and click on “**unofficial transcript PDF**” and print - **this is the only printout that will be accepted.**
 - Transfer coursework must be evaluated by SSCC and posted to SSCC transcript prior to nursing application to be counted towards prerequisites
- ___ Transcript from Practical Nursing school
 - If vocational or non-credit PN program was completed, prerequisite credit may need to be articulated. Articulated credit request form must be submitted to the Records Office and credit must appear on SSCC transcript prior to application submission.
- ___ Dated letter from employer documenting 500 hours of work experience as a licensed Practical Nurse within the past twenty four months – job must require duties as a licensed Practical Nurse
 - Applicants graduating from PN program within nine (9) months of potential acceptance are not required to present proof of work experience.
- ___ Copy of nursing licensure verification page printed from Ohio Board of Nursing website, showing unrestricted license and medication administration privileges. Go to https://elicense.ohio.gov/oh_verifylicense - after entering name, click search. To the right of your information, click on ▼, select ‘VIEW MORE INFO’, then select ‘PRINTER FRIENDLY VERSION’ and print – attach this copy of license.

Incomplete applications will not be considered. On your request, when hand delivering your application to the Nursing Office, the content of your application packet will be reviewed to identify that required documentation is included.

The content of this packet will reflect ongoing improvement and support of student outcomes. Please obtain revised information packets as you plan entry to the program. You may also access current requirements at <http://www.sccc.edu/academics/associate/nursing.shtml>.
