

About the WORKSHOPS

The Workforce Development and Community Services Division of Southern State Community College is sponsoring one workshop to allow water and wastewater operators to **gain up to (6) Contact hours in just one day.**

PLEASE NOTE!

The Ohio EPA now requires all attendees to have their **Core Person ID Number with them to sign in on the day of attendance.** Certification of attendance to the Ohio EPA cannot be sent without this number.

Workshop hours are **8:30 a.m. - 4 p.m.**, with a continental breakfast, lunch, and break refreshments provided - all included with the cost of the workshop. Registration begins at 8 a.m. Classes are subject to change due to unforeseen COVID-19 restrictions.

There are **three ways to register** for the workshop; by the **online form**, by **phone**, or by **email**. Details are provided inside this brochure.

We hope you can take advantage of this **unique training opportunity**, and look forward to seeing you in class!

Five Common Sense Practices in the Water/Wastewater Process

Thursday, May 1, 2025
8:30 a.m. – 4 p.m.

(6) Contact Hours
OEPA Approval – OEPA-B88248983-OM
(Both DW & WW)
Instructor: Mike Harrington, C.E.T.

Description: This program will focus on two common misunderstandings of key elements used to achieve a well run operation. First, we will explore temperature & alkalinity; two of the most important measurement parameters an operator can make. Next, we will investigate the three key operational practices most often ignored in the chemical feed process. Ignoring the practices could lead to a catastrophic event like injuring your personnel and/or civilians.

Learning Objectives:

- Recognize and validate the role that temperature & alkalinity play in every water & wastewater process
- Grasp the real purpose for verifying each and every chemical delivered to the water & wastewater facility
- Know why using the weakest strength of a chemical can pay big dividends in operation and maintenance concerns
- Understand the importance of verifying every chemical delivery

Please note: MASKS are not required, but may be worn if preferred.

Please remember the importance of handwashing and sanitizing. If you are feeling ill, please do not attend the workshop.

Contact Amanda Lewis at **800.628.7722 x3520** for a refund.

REGISTRATION

Earn (6) contact hours for each workshop!
Cost of each workshop is \$150 per person, which includes a light breakfast, lunch, and snacks each day (*depending on any unforeseen COVID-19 restrictions*). **The deadline to register is April 24, 2025.** There are three ways to register for these workshops:

ONLINE – complete the online form at <https://www.sccc.edu/academics/short-term-training/water-workshops-registration.shtml>

For online registrations, an email confirmation will be sent once successfully enrolled.

PHONE – call **800.628.7722 x3520** (Amanda Lewis) Monday through Thursday, 7:30 a.m. – 5 p.m., and provide your credit card number or purchase order number and billing address.

EMAIL - send an email containing your registration information to Amanda Lewis at **alewis@sccc.edu**.

PLEASE NOTE!

The Ohio EPA now requires all attendees to have their **Core Person ID Number with them to sign in on the day of attendance.** Certification of attendance to the Ohio EPA cannot be sent without this number.

Cancellations must be received seven days prior to workshop date. For more information, please contact Amanda Lewis at alewis@sccc.edu or by calling 800.628.7722 x3520.
